ÉCOLE NORMALE SUPÉRIEURE OF FÈS

VENUE: ENS CONFERENCE ROOM

✓ Introduce AI tools for continuous professional development

✓ Explore emerging AI technologies

✓ Integrate AI into teaching practices

The EL Specialist Dr. Jeff Kuhn serves a split appointment at Ohio University, working for the Office of Instructional Design and in the Games Research and Immersive Design (Grid) Lab. Jeff served in Peace Corps Mongolia before receiving his Master's in Linguistics and PhD in Educational Technology. His dissertation explored the problem-solving and distributed cognition of online gamers, and his subsequent research has investigated human behavior in digital environments.
